

# Solution de l'énigme 2

La figure est constituée de :

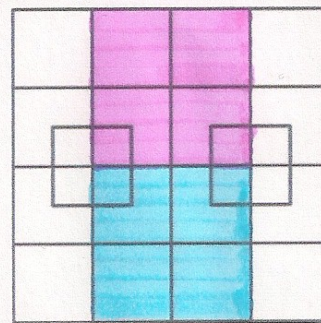

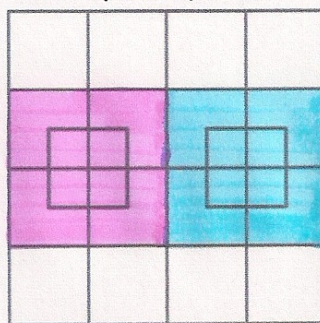

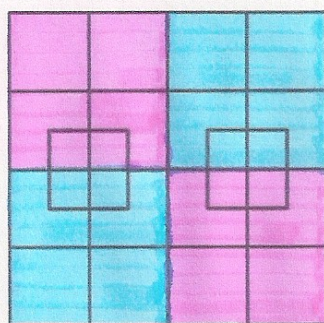

8 tous petits carrés :

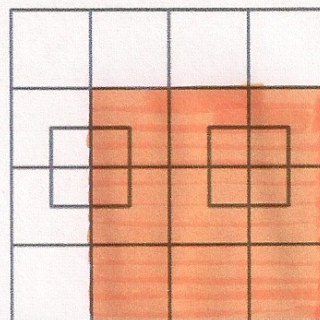

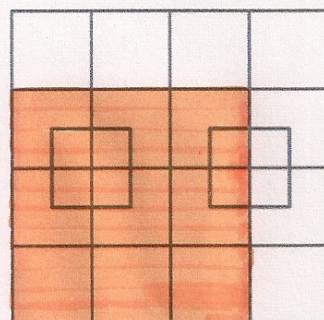

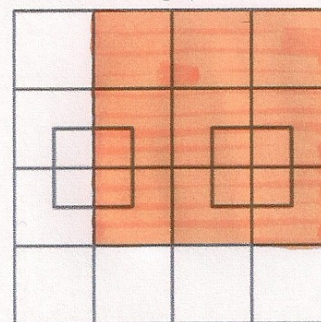

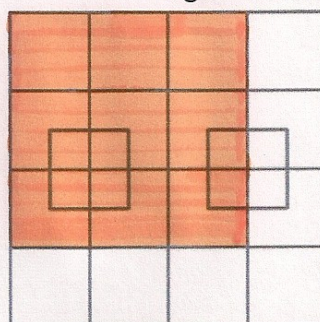

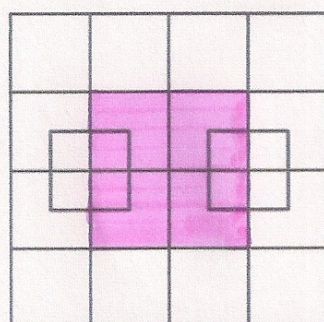

18 petits carrés :

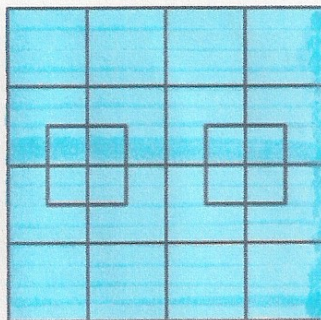

9 carrés de taille moyenne (coloriés en rose et bleu) :

4 grands carrés (coloriés en orange) :

1 très grand carré :

$$8 + 18 + 9 + 4 + 1 = 40$$

**40 carrés** au total sont donc tracés sur la figure.
